MAKERSPACE MANIA

Makerspaces are places where students can gather to invest and create things using different supplies and tools. We are excited to be bringing a “makerspace” to Westbrook next fall! Would you help us stock our makerspace with items that you may no longer be using at home such as blocks, Legos and K’nex building kits? We can’t wait to see what our makers will create in this new space.

SNACK WAGON

The last day for the 6th Grade Snack Wagon will be Friday, April 20th! Thank you for all of your support this year!
